Stalin May 07 2021 Overthrowing the conventional image of Stalin as an uneducated political administrator inexplicably transformed into a pathological killer, Service reveals a more complex and fascinating story behind this notorious twentieth-century figure. Drawing on unexplored archives and personal testimonies gathered from across Russia and Georgia, this is the first full-scale biography of the Soviet dictator in twenty years.

Tense-aspect, Transitivity and Causativity Apr 25 2020 This collection presents typological work on tense, aspect, and epistemic modality in a variety of languages and against the background of different schools of thinking, among which the St. Petersburg Typological School developed and so masterfully implemented by the Petersburg linguist, Vladimir Petrovich Nedjalkov. The volume honors this reputed scholar for his life work. It is in mainly this spirit (and the EUROTYPE spirit) that the following scholars have contributed to the volume: T. Tsunoda on Warrungu (Australian indigeneous language), L. Kulikov on Vedic, K. Kiryu on Japanese, Korean and Newari, N. Sumbatova on Svan (from the Kartvelian group), T. Bulygina & A. Shmelev on Russian, W. Boeder on Georgian, R. Thieroff on aorist and imperfect in European languages, Y. Poupynin on Russian, L. Johanson on Kipchak Turkic, I. Dolinina on Russian, N. Kozintseva on Old and Modern Eastern Armenian, Ch. Lee on Korean, W. Abraham on split ergative languages and German, G. Silnitsky on Russian, V. Plungian on Russian, E. Rakhilina on Russian, and K. Ebert on Kalmyk.

36 Traditional Native American Songs for Recorder Feb 04 2021 Flutes are a part of the Native American tradition. Original instruments have from zero to 7 finger holes, and each flute master designs their own instrument in order to find their own unique sound. Flutes, along with percussion instruments, were used for ceremonial and healing purposes. These songs were adapted here for Recorder musical instrument. The most difficult thing about playing Native American songs is their irregular rhythms. It might change several times during a song because rhythm is generally more important than melody. Songs for American tribes are traditionally a method of communicating with their ancestors and supernatural powers. Music is used to help grow a harvest, bring rain, bring victory in battle or cure the sick. Music is seldom performed for its own sake and as a rule, the tribes tried to repeat sounds which were heard in nature (whispering winds, rain sounds, etc). That is why the rhythm prevailed and words were not so important. Some songs such as ceremonial or medicinal ones often were inspired by dreams. Here you can find traditional songs, handed down from generation to generation We write the note numbers above the notes because our sheet music is aimed at absolute beginners. Just follow numbers and enjoy. Also, we add a QR code to each song. Follow the link and find this song on YouTube, so that you can listen to the rhythm before beginning to play. For which recorders are these

songs suitable? These traditional American folk songs can possibly be played on a Soprano recorder, and several songs can be played on an Alto model. Table of Contents 1. Ani Couni. Arapaho Song. (Version 1) 2. Ani Couni. Arapaho Song. (Version 2) 3. Ani Couni. Arapaho Song. (Version 3) 4. Bebi Notsa. Creek folk song 5. Buffalo Dance. Kiowa folk song 6. Chippewa Lullaby. Chippewa folk song 7. Mikhail Bulgakov Dec 14 2021 Marietta Chudakova is an expert on Soviet literature and on the works of Mikhail Bulgakov in particular. Her biography of Bulgakov was first published in 1988 and remains the most authoritative and comprehensive study of the writer's life ever produced. It has received acclaim for the journalistic style in which it is written: the author draws on unpublished manuscripts and early drafts of Bulgakov's novels to bring the writer to life. She also explores archive documents and memoirs written by some of Bulgakov's contemporaries so as to construct a comprehensive and nuanced portrait of the writer and his life and times. Marietta Chudakova casts light on Bulgakov's life with an unrivalled eye for detail and a huge amount of affection for the writer and his works. Mikhail Bulgakov: The Life and Times will be of particular interest to international researchers studying Mikhail Bulgakov's life and works, and is recommended to a broader audience worldwide. Translated from the Russian by Huw Davies Published by arrangement with ELKOST Intl. Literary Agency Published with the support of the Institute for Literary Translation, Russia Introduction by J.A.E. Curtis Proofreading by Kevin Bridge Publishers Maxim Hodak & Max Mendor

Lenin Jan 03 2021 Lenin is a colossal figure whose influence on twentieth-century history cannot be underestimated. Robert Service has written a calmly authoritative biography on this seemingly unknowable figure. Making use of recently opened archives, he has been able to piece together the private as well as the public life, giving the first complete picture of Lenin. This biography simultaneously provides an account of one of the greatest turning points in modern history. Through the prism of Lenin's career, Service examines events such as the October Revolution and the ideas of

Marxism-Leninism, the one-party state, economic modernisation, dictatorship, and the politics of inter-war Europe. In discovering the origins of the USSR, he casts light on the nature of the state and society which Lenin left behind and which have not entirely disappeared after the collapse of the Soviet regime in 1991. 'Immensely scholarly but also vivid and readable. This is a splendid book, much the best that I have ever read about Lenin ...I was overwhelmed by the power and vividness of this portrait.' Dominic Lieven, Sunday Telegraph 'He has managed skilfully to depict the surreal life of an obsessive, brilliant and stubborn individual' Guardian 'Lenin's life was politics, but Service has succeeded in keeping Lenin the man in focus throughout . . . This book deserves a place among the best studies of one of the most fascinating figures in modern history' Harold Shukman, The Times

Comradely Greetings Mar 29 2023 A fascinating exchange between the punk-philosopher and the philosopher-punk. "We are the rebels asking for the storm, and believing that truth is only to be found in an endless search ... Two years of prison for Pussy Riot is our tribute to a destiny that gave us sharp ears, allowing us to sound the note A when everyone else is used to hearing G flat." In an extraordinary exchange of letters, Nadezhda Tolokonnikova, imprisoned for taking part in Pussy Riot's anti-Putin performance, and Slovenian philosopher Slavoj Žižek discuss artistic subversion, political activism, and the future of democracy via the ideas of Hegel, Deleuze, Nietzsche, and even Laurie Anderson. Two radicals, one in a Russian forced labor camp, the other writing to her from far outside its walls, show passionately - across linguistic and generational divides - that "there is still a common cause worth fighting for." Touching, erudite, and worldly, their correspondence unfolds with poetic urgency. In association with Philosophie Magazine.

My Name Is Nadia Jun 08 2021 Wanna see if we have your child's name on one of our personalized books? Just search: Big Red Button + personalized + your child's name 2 WORKBOOKS in 1! This book has been personalized with the child's name you see on the cover. This 104 page primary tracing workbook is perfect for children in preschool and kindergarten that are learning to write their first name and the alphabet. What an important part of your child's life. Your child will learn to write their name by tracing it, copying it and finally writing it from memory. They will also trace every letter of the alphabet in both upper and lower case letters. Included in this workbook are: 20 pages to trace their first name 20 pages to copy their first name 6 pages to practice writing their first name from memory 1248 traceable letters of the alphabet on 52 practice sheets Practice with both capital and lowercase letters 6 pages to practice writing the alphabet from memory THERE IS TONS OF PRACTICE POTENTIAL IN THIS BOOK! Would you like this book personalized with your child's name? Click on our name above or visit the author section below to find out how we can get your child's name on this book within a few business days for you to purchase on Amazon.

N: Nadia Feb 22 2020 A beautifully stylised monogram notebook for people named Nadia. This notebook is customised with your name for that personal touch. Makes a wonderful gift for Birthdays, Christmas and other celebrations. Unable to find a book with your name? Try searching for: Nomen Clature - "YOUR NAME" Books. Click our Author name for more of the same!

Conspirator May 27 2020 The father of Communist Russia, Vladimir Ilych Lenin now seems to have emerged fully formed in the turbulent wake of World War I and the Russian Revolution. But Lenin's character was in fact forged much earlier, over the course of years spent in exile, constantly on the move, and in disguise. In *Conspirator*, Russian historian Helen Rappaport narrates the compelling story of Lenin's life and political activities in the years leading up to the revolution. As he scuttled between the glittering capital cities of Europe - from London and Munich to Vienna and Prague - Lenin found support among fellow emigres and revolutionaries in the underground movement. He came to lead a ring of conspirators, many of whom would give their lives in service to his schemes. A riveting account of Lenin's little-known early life, *Conspirator* tracks in gripping detail the formation of one of the great revolutionaries of the twentieth century.

SUMMARY - Letters To A Young Gymnast By Nadia Comaneci Jan 27 2023 * Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. Reading this summary, you will discover how the Romanian gymnast Nadia Comaneci became a legend in her field. You will also discover : behind the scenes of high level gymnastics between 1970 and 1984; the living conditions in Romania during the Cold War; how Nadia Comaneci's character was forged; her relationship with her coaches; how and why she became so famous. At a very young age, Nadia Comaneci developed exceptional skills for sport. These led her to an extraordinary destiny. Passionate about gymnastics, she was the first athlete to achieve top marks in competition. As a result, she was the object of admiration but also of all fantasies, as a showcase for an opaque communist regime. Are you ready to discover her exceptional destiny? *Buy now the summary of this book for the modest price of a cup of coffee!

Nadia Baby Journal Letters to My Daughter Nov 25 2022 Use this journal to capture your thoughts during all the meaningful, moving, proud and funny moments in the early years of your daughter's life. Luv, Amelia Luv, Nadia Nov 01 2020 Ten-year-old Amelia exchanges letters and postcards with her long-distance friend Nadia. Includes actual letters folded and inserted into envelopes.

Riot Days Feb 16 2022 From activist, Pussy Riot member and freedom fighter Maria Alyokhina, a raw, hallucinatory, passionate account of her arrest, trial and imprisonment in a penal colony in the Urals for standing up for what she believed in. 'One of the most brilliant and inspiring things I've read in years. Couldn't put it down. This book is freedom' Chris Kraus, author of *I Love Dick* 'Reading: RIOT DAYS, by PussyRiot

member Maria Alyokhina. A women's prison memoir like no other! One tough cookie!
@MargaretAtwood 'In oppressive political systems, some of the most effective weapons are sarcasm and dark humour. It is exactly these weapons that are employed by Masha Alyokhina in the brilliantly written Riot Days. Once you begin reading, you are completely disarmed, unable to put it down until the last page' Marina Abramovic
People who believe in freedom and democracy think it will exist forever. That is a mistake. What happened in Russia - what happened to me - could happen anywhere. When I was jailed for political protest, I learned that prison doesn't just teach you to follow the rules. It teaches you to think that you can never break them. It's inevitable that the prison gates will open at some point. But this doesn't mean that you leave the 'prisoner' category and go straight into the category of 'the free'. Freedom does not exist unless you fight for it every day. This is the story about how I made a choice. We are all Pussy Riot. And actions break fear. 'To Back Down an Inch is to Give Up a Mile'.

The Collected Works of Anton Chekhov: Plays, Short Stories, Diary & Letters (Unabridged) Nov 13 2021 This carefully crafted ebook: "The Collected Works of Anton Chekhov: Plays, Short Stories, Diary & Letters (Unabridged)" is formatted for your eReader with a functional and detailed table of contents. Anton Chekhov (1860-1904) was a Russian physician, dramaturge and author who is often referred to as one of the seminal figures in the birth of early modernism in the theatre. He made no apologies for the difficulties he posed to the readers, insisting that the role of an artist was to ask questions, not to answer them.

Charmian London Letters to Nadia Lavrova Shapiro Sep 23 2022 Also included: clippings; copy of an article by Miss Lavrova on the Londons etc.

Manuscripts Don't Burn Oct 12 2021 A volume of the renowned Russian author's letters and diary entries: "an evocative chronicle of [his] life, beginning with the 1917 revolution" (The Guardian, UK). Mikhail Bulgakov was one of the most important literary voices of Soviet Russia. Yet his books were banned in his own country and his greatest novel, The Master and Margarita, was only published more than twenty years after his death. In Manuscripts Don't Burn—the title, a line from his famous novel—J.A. E. Curtis presents a gripping and intimate chronicle of Bulgakov's life, drawn from his own personal writings. Among other documents, Curtis draws on a partial copy of one of Bulgakov's diaries which was presumed lost until it was uncovered in the KGB's archives. That diary and those of the author's third wife record the nightmarish precariousness of life during the Stalinist purges. Also included are letters to Stalin, in which Bulgakov pleads to be allowed to emigrate; letters to his siblings; intimate notes to his second and third wives; and letters to and from other writers such as Gorky and Zamyatin.

Letters to Relatives; 1893-1922 Mar 05 2021

Read and Riot Jul 21 2022 "as indispensable to confronting, say, your domineering mother-in-law or your local city council as it is to helping foment an ongoing and ever-escalating insurrection against, say, a sexist, racist, nepotistic power-mad oligarchy threatening to destroy democracy as we know it...My advice: Buy one" - VOGUE A

guerrilla guide to radical protest and joyful political resistance from artist, activist and Pussy Riot founder Nadya Tolokonnikova. The face of modern protest is wearing a brightly colored ski mask. Nadya Tolokonnikova, founding member of the Russian activist group Pussy Riot, is a creative activist, professional protestor, brazen feminist, shocking visual artist, and force to be reckoned with. Her spontaneous, explosive approach to political action has involved jumping over barbed wire, kissing police officers, giving guerilla performances in crowded subway cars, and going on a hunger strike to protest the abuse of prisoners. She's been horse-whipped by police in Sochi, temporarily blinded when officers threw green paint in her eyes, and monitored by the Russian government. But what made Nadya an activist icon overnight happened on February 21, 2012, when she was arrested for performing an anti-Putin protest song in a Moscow church. She was sent to a Russian prison for 18 months and emerged as an international symbol of radical resistance, as calls to "Free Pussy Riot" resounded around the world. With her emblematic ski mask, black lipstick, and unwavering bravery, Nadya has become an emissary of hope and optimism despite overwhelming and ugly political corruption. *Read & Riot* is structured around Nadya's ten rules for revolution (Be a pirate! Make your government shit its pants! Take back the joy!) and illustrated throughout with stunning examples from her extraordinary life and the philosophies of other revolutionary rebels throughout history. Rooted in action and going beyond the typical "call your senator" guidelines, *Read & Riot* gives us a refreshing model for civil disobedience, and encourages our right to question every status quo and make political action exciting--even joyful.

Recorder for Absolute Beginners Apr 06 2021 This book is for kids or adults who are absolute beginners in music. We tried to write it as simply as possible. We use an "easy-to-play" visual aid so any beginner can play music quickly. No previous knowledge is necessary. Every song has a large and simple letter-coded visual, along with traditional sheet music. The instruction is designed so that children begin with simple circles and gradually advance to reading notes using sheet music. We try to make this transition as easy as a game, where children advance to higher levels themselves. There are 22 songs and 2 options to help children begin to play right away. **PLAYING BY LETTER CIRCLE PLAY WITH THE MUSICAL STAFF** The player can first follow the circles and then repeat with the classic note symbols and staff. The helpful letters are always above the notes. There are 3 parts in this book. They are equal to 3 levels. Level 1. Songs that are played in one octave. All songs here appear twice: once written with circles and the next time with classic music notes. This will help kids remember the staff notes. Level 2 In this part, you will find one version with both circles and notes and a more advanced version of the song with notes and musical notation. For example: Hot Cross Buns - Version 1 - CIRCLES Hot Cross Buns - Version 1 - NOTES Hot Cross Buns - Version 2 - NOTES (Here, the player will play songs in a different key and learn how to transpose.) Generally, the version of the song written with sheet music is a little bit more complex than a letter-coded version. Such versions already have music notations such as rests or beams, etc. You can find an illustrated explanation of the

notation at the beginning of this book. Level 3 Here, the first two songs are versions of the same melody (different combinations of notes) written with circles and notes. This is important so that the beginner can see how the same melody can be played in different keys. First of all, this book is addressed to newcomers to the recorder instrument. Also, it is a perfect self-training guide for children and beginner adults to mastering the challenges of flute or recorder.

Arguments and Case Sep 30 2020 The ideas presented by the contributions in this volume originated in a workshop on Burzio's generalization. Burzio's Generalization (BG) states that a verb which does not assign an external theta-role to its subject does not assign structural accusative Case to an object and conversely. It connects cross-linguistic similarities between e.g. passives, raising verbs, and unaccusatives. However, it does so by linking very different properties of a predicate. This raises fundamental questions about its theoretical status. The contributions in this volume explore BG's theoretical basis. A consensus emerges that BG is, in fact, an epiphenomenon, due to the interaction of different principles of grammar. Moreover, the contributions show a striking convergence as to how BG is ultimately derived. The results obtained make a significant contribution to the further development of theories of Case and thematic relations.

Recorder for Absolute Beginners Jun 20 2022 This book is for kids or adults who are absolute beginners in music. We tried to write it as simply as possible. We use an "easy-to-play" visual aid so any beginner can play music quickly. No previous knowledge is necessary. Every song has a large and simple letter-coded visual, along with traditional sheet music. The instruction is designed so that children begin with simple circles and gradually advance to reading notes using sheet music. We try to make this transition as easy as a game, where children advance to higher levels themselves. There are 22 songs and 2 options to help children begin to play right away. **PLAYING BY LETTER CIRCLE PLAY WITH THE MUSICAL STAFF** The player can first follow the circles and then repeat with the classic note symbols and staff. This is important so that the beginner can see how the same melody can be played in different keys. First of all, this book is addressed to newcomers to the recorder instrument. Also,

it is a perfect self-training guide for children and beginner adults to mastering the challenges of flute or recorder.

Teffi May 19 2022 Teffi was one of twentieth century Russia's most celebrated authors. Born Nadezhda Lokhvitskaya in 1872, she came to be admired by an impressive range of people - from Tsar Nicholas II to Lenin - and her popularity was such that sweets and perfume were named after her. She visited Tolstoy when she was 13 to haggle with him about the ending of War and Peace and Rasputin tried (and utterly failed) to seduce her. After the Bolshevik Revolution of 1917 she was exiled and lived out her days in the lively Russian émigré community of Paris, where she continued writing - and enjoying comparable fame - until her death in 1952. Teffi's best stories effortlessly shift from light humour and satire to pathos and even tragedy - ever more so when depicting the daunting hardships she and her fellow émigrés suffered in exile. While best known for her stories and feuilletons, she also moved over to other genres, from serious poetry to theatrical miniatures and even music, and inhabited an extraordinary range of spheres connected to both high and popular culture. In the first biography of her in any language, Edythe Haber here brings Teffi - who has recently been 'rediscovered' in the West to resounding acclaim - to life. Teffi's life and works afford a unique panoramic view of the cultural world of early twentieth century Russia, from the debauchery of the Silver Age to the terror and euphoria of revolution, and of interwar Russian emigration. But they also offer fresh insights into the seismic events - from the 1905 Russian Revolution and World War II to life as a refugee - that she experienced first-hand and recreated in her vivid, penetrating, moving and witty writing.

Letters for My Children Dec 26 2022

Letter to My Husband Jan 15 2022 The author chronicles her experiences facing her husband's death and provides glimpses into her marriage, the mental and physical exhaustion of grieving, and her life bringing up her four children alone

Pussy Riot! Mar 25 2020 Letters from prison, songs, poems, and courtroom statements, plus tributes to the Russian punk band that shook the world. On February 21, 2012, five members of a Russian feminist punk collective Pussy Riot staged a performance in the Cathedral of Christ the Savior in Moscow. Dressed in brightly colored tights and balaclavas, they performed their "Punk Prayer" asking the Virgin Mary to drive out Russian president Vladimir Putin from the church. After just forty seconds, they were chased out by security. Once a retooled video of the events circulated on YouTube (edited to seem much longer than the actual performance), the state was riled into action. Three members of the collective, Maria Alyokhina, Nadezhda Tolokonnikova, and Yekaterina Samutsevich, known as Masha, Nadya, and Katya, were arrested and charged with felony hooliganism motivated by religious hatred, an offense carrying a sentence of up to seven years. As their trial unfolded, these young women became global feminist icons, garnering the attention and support of activists and artists around the world, including Madonna, Paul McCartney, and Sting, as well as contributors to this book: Yoko Ono, Johanna Fateman, Karen Finley, Justin Vivian Bond, Eileen Myles, and JD Samson. The Internet exploded with petitions, music

videos, and calls to action, and as the guilty verdict was anticipated, Pussy Riot responded with articulate, unwavering courtroom statements, calling for freedom of expression, an end to economic and gender oppression, and a separation of church and state. They were sentenced to two years in prison, and inspired a global movement. Collected here are the words that roused the world.

Madame Blavatsky Revisited Dec 02 2020 "If this work is of men it will come to nothing: but if it is of God, you cannot overthrow it " -Rabbi Gamaliel, Acts 5:38?39 Was Theosophical Society founder Helena P. Blavatsky a prophetess or charlatan? Since the 1870's detractors have lambasted both her character and ideas. Yet, H.P.B.'s reputation has continued to grow. Theosophy's non-dogmatic and ecumenical approach to spirituality offers 21st Century seekers a viable alternative to religious fundamentalism. Today thousands of people on every continent belong to the Theosophical Society. All of Madame's books and articles remain in print. The freshness and wit of her letters make them seem as if they were written yesterday. Though controversial, she's withstood time's test. Madame Blavatsky Revisited tells H.P.B.'s remarkable story in an entertaining manner.

Letters to a Young Gymnast Feb 28 2023 If there were such a thing as an "elder" stateswoman in women's gymnastics today, Nadia Comaneci would win that title as readily as she once won gold medals. Olga Korbut came before her, and many other medalists would follow, but none has ever been as dominant in winning the hearts of millions around the world. With grit and determination, Nadia Comaneci ushered in a new era for women's sports, one where young girls could vault into the arena of superstardom. Even today, almost thirty years after her greatest triumphs, you need only mention the name "Nadia" and gymnastics fans know instantly whom you are talking about. In Letters to a Young Gymnast, Nadia shows what it takes to achieve athletic perfection and become the best. With inspiring and dramatic stories from her own experience, she tells us how the young girl that Bela Karolyi discovered in a Romanian elementary school found the inner strength to become a world-class athlete at such a young age. This collection of Nadia's memories, anecdotes, and advice grants unique insights into the mind of a top competitor. From how to live after you've realized your dream, to the necessity of "a spirit forged with mettle," Nadia's thoughts on athleticism and sacrifice are eye-opening and surprisingly challenging.

The Psychology of Handwriting Dec 22 2019

Rodina Sep 11 2021 Rodina - in Russian, "the Motherland" - is about a Russian family and the tumultuous times through which they live. It tells the story of Evgenia, a Russian woman who endures the upheavals of her beleaguered homeland and personifies Rodina's strength. It is also about Evgenia's courageous daughters, the dedicated men they love, and the passions which propel all of their eventful lives. The saga opens in 1861, the year of the Great Emancipation - and Evgenia's birth. Her life unfolds in Derevnia, a village on the Volga, among people whose life is hard but also filled with beauty and joy. Amid the contradictions of her peasant environment, Evgenia grows up within a warm community of strong individuals: Babushka, the wise woman

who teaches her the lore of the forest; Ekaterina, the village midwife who trains her as a healer; Mikhail, the chanter whose booming voice inspires her to sing; Ivan, the dedicated village priest whom she marries. When Evgenia's children grow up, they go off to Petersburg. Lisyia, the eldest, plays violin in the orchestra of the glittering Maryinsky theatre. Tatiana, the youngest, dances in the elegant Imperial Ballet. Vladimir, their brother, leaves his Orthodox seminary to become a zealous Bolshevik. Against the dramatic and violent backdrop of the Russian Revolution, they experience war and terror, idealism and inspiration. Evgenia herself eventually joins her children in Petersburg - now Leningrad - where her granddaughter, Katya, works at the great Hermitage Art Museum. When the Nazis invade, Katya's husband, Alexei, goes off to fight at Stalingrad. Katya and her children are caught in the 900-day siege of Leningrad, as are Evgenia and Lisyia. Together, all four generations join the heroic battle to defend their Motherland.

Lennox Berkeley and Friends Jun 27 2020 A novel approach to biography, drawing on interview material and other sources, all extensively annotated.

The Eagle 's Fate Aug 30 2020 A Princess in danger... A Captain who will save her! Fleeing for her life, Princess Nadya Serova is alone and scared on the road from Moscow, and desperate to reach the safety of her friend Tatya 's estate. When a thief threatens to steal all her food and money, she 's done for... Until kind and strong Captain Andrei Valyev saves her! But the moment he hears her name, Captain Valyev is distant and cold. Nadya has no idea why he hates her, but as they journey together she finds herself drawn to her stoic protector, even as it becomes clear Andrei is in love with her friend Tatya. Terribly injured while saving his men, Andrei is forced to St Petersburg, where fate brings them together again, but more apart than ever. Nadya must solve the mysteries of her family 's past and discover how to right them. And maybe, win Andrei 's love... Rich with historical detail of the Napoleonic war in Russia, this sweet and clean historical romance with Christian themes of forgiveness will sweep you away with the excitement of a brave military hero and the modest woman he falls for. A Traditional Regency historical romance perfect for fans of Heyer, Austen, Sally Britton, and Laura Beers.

Vladimir and Nadya Apr 18 2022 An original historical and personal biography of V.I.Lenin and his wife Nadya. A warm, fascinating account of their lives together, of many of their co-workers, their hopes and struggles.

The Letters of Lenin Oct 24 2022

The Syntax of Aspect Jul 29 2020 This book investigates the way grammar deals with the representation of aspectual (aktionsart) concepts, focussing on issues of the lexicon-syntax interface. The authors' innovative analyses of this interface significantly advance our understanding of the role that syntax plays in determining verbal meaning, aspectual interpretation, and thematic information. Various theories are developed in this collection, including those that take as their starting point the lexical-syntactic framework of Hale and Keyser, prominent among which is the chapter by Hale and Keyser themselves. By examining different phenomena in a cross-linguistic

perspective, this book develops insights into the general theoretical question of universal grammar and acquisition as well as into the specific nature of the lexicon-syntax interface. It is a major contribution to modern syntactic theory.

Recorder for Beginners. 27 Traditional Songs from the United Kingdom Jan 23 2020
This recorder songbook will help you begin to play music by letter simply and easily. The color-illustrated learning book includes not only letters but also classic sheet music and it is helpful in developing music literacy. Most of the presented melodies are rather unique. Although our songbook includes basically kids' songs, you will find several Christian hymns and Christmas carols. In addition, you can find another book for the recorder musical instrument with the most popular songs from around the world "Recorder for Beginners. 50 Easy-to-Play Songs from Over the World" Attention: Some melodies might be changed and simplified for beginners to be played within one octave. Letter names have been added to the classic musical notes to make it possible for you to confidently begin playing. Also, QR codes have been added to all songs so you can follow the link and hear the rhythm before playing. After the Man Before Jul 09 2021 Elizabeth invests her hopes in a run-down terraced house - a place where dreams of a family could become reality. She persuades Richard to move in and take on the task of refurbishment. But every house has a history, and Richard uncovers mysterious and disturbing letters from the Man Before.

Comradely Greetings Apr 30 2023 "We are the rebels asking for the storm, and believing that truth is only to be found in an endless search ... Two years of prison for Pussy Riot is our tribute to a destiny that gave us sharp ears, allowing us to sound the note A when everyone else is used to hearing G flat." In an extraordinary exchange of letters, Nadezhda Tolokonnikova, imprisoned for taking part in Pussy Riot's anti-Putin performance, and Slovenian philosopher Slavoj Žižek discuss artistic subversion, political activism, and the future of democracy via the ideas of Hegel, Deleuze, Nietzsche, and even Laurie Anderson. Two radicals, one in a Russian forced labor camp, the other writing to her from far outside its walls, show passionately - across linguistic and generational divides - that "there is still a common cause worth fighting for." Touching, erudite, and worldly, their correspondence unfolds with poetic urgency. In association with Philosophie Magazine.

Words Will Break Cement Aug 10 2021 From National Book Award winner Masha Gessen, the heroic story of Pussy Riot, who resurrected the power of truth in a society built on lies. On February 21, 2012, five young women entered the Cathedral of Christ the Savior in Moscow. In neon-colored dresses, tights, and balaclavas, they performed a "punk prayer" beseeching the "Mother of God" to "get rid of Putin." They were quickly

shut down by security, and in the weeks and months that followed, three of the women were arrested and tried, and two were sentenced to a remote prison colony. But the incident captured international headlines, and footage of it went viral. People across the globe recognized not only a fierce act of political confrontation but also an inspired work of art that, in a time and place saturated with lies, found a new way to speak the truth. Masha Gessen's riveting account tells how such a phenomenon came about. Drawing on her exclusive, extensive access to the members of Pussy Riot and their families and associates, she reconstructs the fascinating personal journeys that transformed a group of young women into artists with a shared vision, gave them the courage and imagination to express it unforgettably, and endowed them with the strength to endure the devastating loneliness and isolation that have been the price of their triumph.

A Letter to My Daughter Mar 17 2022 What would you say to a Loved One if you had one day to live? A Letter to My Daughter is a short book of individual letters to my dearest daughter. I leave her with advice on Positive Thinking, How to Tap into your Inner Power, The Importance of Unplugging, Love, Inner Beauty etc.

The Cyberdimension Aug 22 2022 In 2013, Edward Snowden released a trove of documents revealing the extent of government electronic surveillance. Since then, we have been inundated with reports of vicious malware attacks, election hacking, data breaches, potential cyberwars, fights over Net Neutrality, and fake internet news. Where once discussion of cyberspace was full of hope of incredible potential benefits for humanity and global connection, it has become the domain of fear, anxiety, conflict, and authoritarian impulses. As the cloud of the Net darkens into a storm, are there insights from Christian theology about our online existence? Is the divine present in this phenomenon known as cyberspace? Is it a realm of fear or a realm of hope? In The Cyberdimension, Eric Trozzo engages these questions, seeking not only a theological means of speaking about cyberspace in its ambiguity, but also how the spiritual dimension of life provokes resistance to the reduction of life to what can be calculated. Rather than focusing on the content available online, he looks to the structure of cyberspace itself to find a chastened yet still expectant vision of divinity amidst the political, economic, and social forces at play in the cyber realm.
